

Volunteers

The Collegedale Public Library and Community Learning Center recognizes volunteers as an invaluable community resource and welcomes their support. Volunteers provide support to staff by performing duties or tasks without wages or benefits. They do not take the place of staff, but provide supplemental or specialized services.

Volunteers are accepted when their skills and abilities match specific needs. The Collegedale Public Library and Community Learning Center does not guarantee that all volunteer applications will be accepted. All interested volunteers must pass a background check performed by the City.
